An asterisk (*) appearing next to the amount indicates a difference from projected activity either in the amount or the date. The letter "E" next to an amount indicates that the payment or disbursement has not yet occurred, but is estimated to occur on the date shown.

Last year we anticipated that Disbursements would be made from your Escrow Account during the period equaling \$5,836.17. Your lowest monthly mortgage loan balance should not have exceeded \$845.34, which is either 1/6 (also equal to no more than two months) of the total projected payments from the account as required by federal law or the reasonable amount required by state law or the amount required by the mortgage contract. Your actual lowest monthly balance was equal to or greater than \$-11,979.91. The items with an asterisk on your Account History may explain this. For further explanation, call our toll-free number shown under the Contact Us section on this statement.

LoanCare is a debt collector. This is an attempt to collect a debt, and any information obtained will be used for that purpose. However, if you filed for bankruptcy, currently are in bankruptcy or received a discharge in bankruptcy, this communication is not an attempt to collect a debt, but is instead a legally required notice regarding your escrowed taxes and insurance.

	Projected	Projected	Account Balance	Account Balance
February	\$491.28	\$62.11	\$2,009.32	\$1,995.36

Your Projected Escrow Account Balance as of 02/28/21 is \$2,009.28. Your Required Beginning Escrow Balance according to this analysis should be \$1,995.32. This means you have a surplus of \$13.96. This surplus must be returned to you unless it is less than \$50.00, in which case we have the additional option of keeping it and lowering your monthly payments accordingly. Due to the delinquent status of your account, we will retain your remaining surplus.

Balance Your Escrow Account

Each year your account is reviewed to make sure there is enough money to pay your property taxes and/or insurance. To do that, federal law allows us to require a minimum balance in your account. This cash reserve helps to cover any increase in taxes and/or insurance. Subject to state law limits, your minimum balance normally equals the amount of your escrow payments for about two months. The payments made to and from your escrow account last year help predict your account activity for next year. Last year's activity also helps predict what your lowest account balance is likely to be. To balance your escrow account, we compare what your lowest account balance will likely be next year with your minimum required balance. The difference between those two numbers tells us if you need to deposit additional funds or if we will provide a refund. Any refund over \$50 will be returned to you.

\$858.34	Your minimum required balance
\$872.30	Your projected lowest account balance for August
\$13.96	Your escrow account surplus/shortage

- > We will keep the surplus and lower your monthly payments as noted on your statement.

Please review the Account Projections section of your Annual Escrow Account Disclosure Statement to confirm the disbursement amounts of the escrowed items. If you find errors in this information, please confirm the disbursement amounts with your local taxing authority or insurance carrier and contact us to report any discrepancies.

FREQUENTLY ASKED QUESTIONS

I thought I had a fixed rate. Why did my payment change?

Your mortgage payment is made up of two parts: your loan payment (principal and interest) and your escrow payment (taxes and insurance). Your loan payment does not increase or decrease unless you have an adjustable rate mortgage (ARM). The portion of your monthly mortgage payment that goes toward escrows (taxes, homeowners and/or mortgage insurance) will change based on your projected amounts due to be paid.

Your Mortgage Payment

* Your escrow payment may consist of the items in the three categories shown in gray.

Please note: this chart is provided for demonstration purposes only and is not intended to represent the specific amount you have in each category.

Why is there extra money in my escrow account?

Your escrow account makes sure you have money set aside to pay the necessary taxes and insurance.

A certain amount of the funds in your escrow account are designated to help keep your account from going negative. We call that an escrow cushion.

Think of your cushion as overdraft protection for your escrow account. Your cushion is designed to help offset any small changes in your tax and/or insurance bills. This helps lessen the burden of an escrow shortage when your escrow analysis is completed. Cushions typically cannot be waived or removed.

How can I lower my escrow?

You may seek additional insurance quotes while maintaining the required coverage. You may contact your taxing authorities and ensure that you have taken advantage of all applicable exemptions. If you are able to reduce the cost of your insurance and/or are approved for an exemption, please make sure to provide us updated information.

Can I prepay my escrow so that my payments don't change?

No. You are required to pay 1/12th of each escrowed item monthly with your principal and interest payment.
